WARNING FOR THE TOWN OF TOWNSHEND 2025 ANNUAL MEETING

The legal voters of the Town of Townshend are hereby notified and WARNED to meet at Dutton Gymnasium, located at 2030 VT Route 30, on Tuesday, March 4, 2025, at 9:00am, to act upon the following articles, viz:

ARTICLE I: To choose a moderator for the ensuing year.

ARTICLE II: To act upon the July 1, 2023 – June 30, 2024 independent auditor's report.

ARTICLE III: Shall the voters authorize the Treasurer, pursuant to 32 V.S.A. § 4791, to collect current taxes and to add \$1,500.00 for the treasurer's salary.

For informational purposes to be discussed in ARTICLE VII under the General Fund budget.

Town Clerk: \$42,503.00

Town Treasurer: \$34,168.00

Selectboard:
(1) Chair: \$1,500.00
(4) Members: \$4,800.00

\$17.98 per hour (2.5%)

ARTICLE IV: To elect all Town Officials for the ensuing year(s):

Casual Labor:

Town Clerk: (1) 1 year term Town Treasurer: (1) 1 year term Selectboard: (1) 3 year term Selectboard: (2) 1 year term Listers: (1) 3 year term **Delinguent Tax Collector:** (1) 1 year term First Constable: (1) 1 year term Second Constable: (1) 1 year term Cemetery Commissioner: (1) 5 year term Library Trustee: (1) 5 year term **WRMUED** Representative (1) 3 year term

ARTICLE V: To see if the Town will authorize the Selectboard to set a tax rate sufficient to cover all monies raised for municipal entities for the period July 1, 2025 through June 30, 2026, and to borrow money in anticipation of taxes?

ARTICLE VI: To see if the Town will authorize its Property Tax Collector to receive its Real Property Taxes quarterly, August 25, 2025, November 25, 2025, February 25, 2026, and May 26, 2026. Monthly interest will be charged at the rate of one-half percent (.5%) or fraction thereof, Interest of one percent (1.0%) or fraction thereof plus penalties will commence on May 30, 2026?

ARTICLE VII: To see if the Town will vote to appropriate \$646,435.00 to pay for the running expenses and liabilities of the Town of which \$278,312.00 to be raised in taxes?

ARTICLE VIII: To see if the Town will vote to appropriate \$1,039,752.00 to pay for the running expenses and liabilities of maintaining the Town's roads of which \$834,455.00 to be raised in taxes?

ARTICLE IX: To see if the Town will vote to raise \$77,850.00, by taxation, for the running expenses and liabilities of the library.

ARTICLE X: To see if the Town will raise \$2,100.00, by taxation, for the Old Cemetery Fund?

ARTICLE XI: To see if the Town will vote to establish a Highway reserve Fund to be used for highway infrastructure projects as well as the purchase, current, and future leasing and repair of highway equipment in accordance with 24 V.S.A. δ 2804?

ARTICLE XII: To see if the Town will vote to raise, by taxation, and appropriate \$500,000.00 to the Highway Reserve Fund with the following allocation;

- 1. \$200,000 to be used towards funding highway infrastructure.
- 2. \$300,000 to used towards funding current leases (for FY26 only, after which leases will be added as a budgetary line item), as well as future purchases leasing, and repair of highway equipment.

ARTICLE XIII: To see if the Town will vote to move highway surplus funds up to \$75,000.00 into the Highway Reserve Fund?

ARTICLE XIV: To see if the Town will vote to raise \$20,000.00, by taxation, to be placed in the Fire Truck Capital Fund toward a future pumper?

ARTICLE XV: To see if the Town will vote to raise \$10,000.00, by taxation, to be placed in the Fire Pond Reserve account toward a future fire pond or maintenance of the existing fire ponds?

ARTICLE XVI: To see if the Town will vote to raise **\$22,388.00**, by taxation, for the support of Social Services, as recommended by the Social Services Committee?

ARTICLE XVII: To see if the Town will vote to maintain the current trash collection system with the following modifications: institute an annual charge of \$100.00 for the transfer station "Hang Tag" and to charge \$4.00 per town trash bag.

ARTICLE XVIII: To see if the Town will vote to authorize the Selectboard to acquire land by gift or purchase for municipal forest to promote reforestation water conservation and good forestry practices?

ARTICLE XIX: To see if the Town will vote to set the first Tuesday in March 2026 as the date for the 2026 Town of Townshend Annual Meeting?

ARTICLE XX: To transact any other non-binding business to properly come before said Meeting?

Approved and Dated at Townshend, this 20th day of January 2025.

The Townshend Selectboard;

Allie Evans

October 1, 2024

Selectboard Town of Townshend, Vermont P.O. Box 121 Townshend, VT 05353

We have audited the modified cash basis financial statements of the Town of Townshend, Vermont as of and for the year ended June 30, 2024 and have issued our report thereon dated October 1, 2024. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in "Government Auditing Standards", issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

In planning and performing our audit, we considered the Town of Townshend, Vermont's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Townshend, Vermont's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Townshend, Vermont's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. However, as discussed as follows, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency, described in the accompanying Schedule of Deficiencies in Internal Control and Other Recommendations as Item 2024-001, to be a significant deficiency.

We have also noted other matters during our audit as indicated in the accompanying Schedule of Deficiencies in Internal Control and Other Recommendations that are opportunities for strengthening internal control and operating efficiency. We have discussed the recommendations with the staff during the course of fieldwork and some of the recommendations may have already been implemented.

This communication is intended solely for the information and use of management, the Selectboard, and others within the Town of Townshend, Vermont, and is not intended to be, and should not be, used by anyone other than these specified parties. If you would like to discuss any of the recommendations further, please feel free to contact us.

We would like to take this opportunity to thank the staff of the Town of Townshend, Vermont for their assistance and cooperativeness throughout our audit. It has been a pleasure working with you.

Respectfully submitted,

Sullivan, Powers & Co.

SULLIVAN, POWERS & CO. Certified Public Accountants

TOWN OF TOWNSHEND, VERMONT SCHEDULE OF DEFICIENCIES IN INTERNAL CONTROL AND OTHER RECOMMENDATIONS

JUNE 30, 2024

Deficiencies in Internal Control:

Material Weaknesses: None noted.

Significant Deficiencies:

2024-001 TRASH BAG INVENTORY RECONCILIATION

Criteria: Internal controls over the inventory of trash bags should be in place to ensure all cash receipts from bag sales are accounted for.

Condition: The Town does not have an effective system of maintaining and reconciling the inventory of trash bags to the bag sales.

Cause: Unknown.

Effect: The collection of trash bag revenues could be understated.

Recommendation: We recommend the Town set up inventory procedures to accurately account for additions and deletions as well as reconciling the bags on hand to the bag sales on a regular basis.

Treasurer's Response: As of 7/1/2024 the Town has streamlined internal controls: The entire over inventory of trash bags is kept at Town Hall, when River Bend Market or Harmonyville needs bags, they contact either Connie Holt or Ellenka Wilson complete a Pay Order and deliver to stores—a signed receipt is obtained. Reconciling the inventory disbursed is handled by Connie Holt quarterly. Reconciling the non-disbursed inventory is handled by Ellenka Wilson semi-annually.

Other Recommendations:

FRAUD RISK ASSESSMENT The Town has not performed a fraud risk assessment. A fraud risk assessment is important because it identifies the Town's vulnerabilities to fraudulent activities and whether those vulnerabilities could result in material misstatement of the financial statements. The fraud risk assessment would also identify processes, controls, and other procedures used to mitigate the identified fraud risks.

We recommend that the Town perform a fraud risk assessment reduce the possibility of fraudulent activities.

FRAUD POLICY The Town does not have a fraud policy in place. A fraud policy outlines the Town's position on fraudulent activities and dishonest conduct and sets out procedures for employees to report suspected fraud or misconduct to the appropriate personnel within the Town. This policy should further outline the responsibilities of different positions within the Town in regards to reporting and investigating these claims. It should also discuss the actions that will be taken to investigate the claim and the protection that will be afforded to the person making the claim against retaliation from the accused.

We recommend that the Town implement a fraud policy.

DOCUMENTATION OF INTERNAL CONTROL SYSTEM

A solid understanding of internal control is essential. An organization must continually assess their internal control systems to ensure accurate financial reporting and compliance with laws and regulations. As part of this process, management should formally document its control systems. This should provide management with an understanding of the systems related to financial reporting, the documentation of controls over relevant assertions related to all significant accounts, disclosures in the financial statements, anti-fraud programs and controls over selection and application of accounting policies.

We recommend that the Town perform a complete evaluation and documentation of the internal control process. This should break out the internal control process into the following five areas:

- 1. Control Environment Sets the tone of an organization and is the foundation for all other components.
- 2. Risk Assessment The identification and analysis of relevant risks to achieve its objectives forming a basis for how risks should be managed.
- 3. Control Activities The policies and procedures that help ensure management directives are carried out.
- 4. Information and Communication The identification, capture and exchange of information in a form and timeframe that enables people to carry out their responsibilities.

5. Monitoring – The process that assesses the quality of internal control performance over time.

INCOMPLETE ACCOUNTING SYSTEM Each fund is a separate accounting entity and should employ a general ledger to summarize operating activity during the year and record corresponding increases or decreases in the individual asset and liability account balances. The general ledger is a primary control device in any double entry accounting system. If properly and regularly maintained, the account balances will facilitate prompt and complete financial reporting at the end of any operating period. The individual accounts, particularly the asset and liability accounts, will provide control for reconciliation with other data from internal or external sources. The Delinquent Tax Collector accounts are currently not under general ledger control.

We recommend that the Town maintain these accounts in their general ledger separately and implement reconciliation procedures for all key accounts on a regular basis.

PROCUREMENT POLICY The Town's procurement policy has not been updated to comply with the Uniform Guidance.

We recommend that the Town update its procurement policy to be in compliance with the Uniform Guidance.

UNIFORM GUIDANCE POLICIES Sections of the Uniform Guidance require non-federal entities that receive federal awards to have certain written policies and procedures or standards of conduct. Examples of these requirements are listed below:

- -Conflict of Interest Policy
- -Financial Management Policy
- -Payment Cash Management Drawdowns and Reimbursement Requests Policies
- -Uniform Guidance Procurement Policy
- -Compensation Policy
- -Relocation Costs of Employees Policies
 - -Travel Cost Policy

We recommend that all policies be reviewed and amended to include the requirements outlined in the Uniform Guidance.

INVESTMENT AND BANKING POLICY The Town does not have a formal investment and banking policy. This policy is extremely important in establishing and maintaining cash management in accordance with Selectboard directives. This policy should include general guidance for the Treasurer in the areas of bank selection, types of investments and policies for minimizing the risk of losses.

We recommend that the Selectboard and the Treasurer work together to establish guidelines for the Treasurer in the areas of cash management and investing.

CASH RECEIPTS MODULE The Town does not utilize the NEMRC cash receipts module to record cash receipts. When money is collected, the Town uses spreadsheets to summarize the collections and uses general journal entries to record the revenue in the accounting software.

We recommend the Town use the NEMRC cash receipts module to record cash receipts.

DELINQUENT PROPERTY TAX COLLECTIONS The Town does not have a formal tax sale policy. In addition, the delinquent tax list contains many large, old balances dating back several years.

We recommend the Town implement a formal tax sale policy. In addition, we recommend the Town pursue these old balances aggressively and consult with the Town attorney for possible tax sale.

CEMETERY FUND The Cemetery Fund includes revenues received from lot sales of which a portion is for perpetual care where only the interest earnings can be spent and property taxes appropriated for cemetery upkeep.

We recommend that the Town utilize the General Fund for the cemetery expenses and transfer the interest earnings from the permanent fund annually to this find

TOWN GRAGE BUDGET The Town includes the budget for the Town garage expenses within their General Fund budget. However, the Town has a separate

Highway Fund which is used for the expenses related to the operation of their Highway department.

We recommend the Town include the budget for the Town garage expenses within their Highway Fund budget to better reflect the estimated costs of the Highway department.

FORMALIZED AGREEMENT WITH TOWNSHEND VOLUNTEER FIRE ASSOCIATION, INC. The Town owns and maintains the fire house and fire vehicles which the Townshend Volunteer Fire Association, Inc operates. As part of their arrangement, the Town covers costs related to the fire house and vehicles and the Association covers costs related to personal gear and equipment. There is no formalized agreement for the relationship.

We recommend that the Town and the Townshend Volunteer Fire Association, Inc. adopt a written agreement related to the use of Town owned property and equipment and guidelines on what costs are the responsibility of each party.

ACCOUNTING AND PROCEDURES MANUAL The Town does not have a complete accounting and procedures manual in place although the Treasurer has started the process. This manual should define duties and responsibilities for current personnel so as to prevent or reduce misunderstandings, errors, inefficient or wasted effort, duplicated or omitted procedures, and other situations that can result in inaccurate or untimely accounting records. It will also help to ensure that all similar transactions or treated consistently, that accounting principles used are proper, and that records are produced in the form desired by management. A good accounting manual should aid in the training of new employees and possibly allow for delegation to other employees.

We recommend that the Town complete this document for all accounting procedures as soon as possible. Each individual should document their duties and how to perform them. The manual should include examples of forms with descriptions of their use. Once developed, only changes in procedures or forms will require changes in the manual.

We believe this time will be more than offset by time saved later in training and supervising accounting personnel. Also, in the process of the comprehensive review of existing accounting procedures for the purpose of developing the manual, management might discover procedures that can be eliminated or improved to make the system more efficient and effective.

We also recommend that the Town make sure that there are no jobs related to accounting and finance that only one person knows how to perform. The procedures manual would also be useful in determining whether this situation exists.

FIRE DEPARTMENT BUDGET Currently, the Town's Fire Department budget includes expenses budgeted for a "worst case scenario" rather than analyzing data from prior years to estimate the upcoming year. This results in significant underspending of the budget each year.

We recommend the Town analyze the data from prior years Fire Department expenses when setting the budget for the upcoming year.

OVERBILLING OF PROPERTY TAXES The Town overbilled its property taxes by setting the tax rate higher than was approved at Town Meeting. The incorrect tax rate was caused by including a failed article amendment for \$10,000 while calculating the rate.

We recommend the Town review the tax rate calculation to be sure the rate is calculated based on the year's Voter approved expenditures.

BUDGETING FOR THE REMITTANCE OF SOLAR CREDITS The Town has a group net metering agreement with Soveren Solar, Inc. in which the Town receives solar credits from the generation of Soveren Solar, Inc.'s solar infrastructure. As part of the agreement the Town remits 90% of the savings to Soveren Solar, Inc. The Town currently budgets for the electricity costs paid to Green Mountain Power, however, does not budget for the monthly remittance of the savings to Soveren Solar, Inc.

We recommend the Town budget for the monthly remittance payments to Soveren Solar, Inc.

SELECTBOARD ANNUAL REPORT

This year, the Selectboard has taken a close look at all aspects of town operations to support transparency and responsible management. Costs continue to rise everywhere, and the Board with their assistant, Connie Holt, have been diligent in seeking opportunities to contain costs. At the same time, the Board has kept an eye towards planning for the future to minimize the impacts of unforeseen expenses, something we have had to contend with this past year.

As recommended by the chair, members of the Board began looking into various budget categories far in advance of the usual November 1st start to budget season which helped members get up to speed and engage in budget planning early on. The Selectboard spent November and December hearing from departments and coming up with plans to meet the needs of the town in budget committees. These committees were open to the public and residents were encouraged to attend meetings and participate in the budget process. The budget presented today reflects the collaboration and compromise between departments, Board members, and members of the public and we look forward to discussing and answering questions about the budget and proposed special articles at town meeting.

The Selectboard has worked closely with Highway Foreman, Jeremy Zumbruski, to develop plans for depreciation and maintenance of highway equipment as well as the maintenance and repair of town infrastructure. If we can plan for these major expenses over time, we can better contain the costs of maintaining town highways and not be set back by breakdowns or repairs of aged equipment, bridges, and culverts. Additionally, alongside the Grants Coordinator, we engaged with the Planning Commission as well as our PACIF insurance to get a better understanding of our Town Hall and garage to keep track of regular maintenance needs, any compliance or safety standards and future building repairs.

The Board was happy to see several projects come to fruition this year. The historic Stone Arch Bridge project was completed this past Fall, a culmination of years of cooperation between the Townshend Historical Society, the Selectboard, our highway department, Standing Stone, LLC, VT State Historic Preservation, the National Parks Service, and town residents. A beautiful, new, and accessible gazebo was installed on the town common last summer to replace the decaying gazebo torn down after nearly 40 years. The Gazebo Committee grew into a Commons Committee which will oversee the needs and upkeep of the common going forward. The town also began the process of updating its hazard mitigation plan with significant public input through surveys and public meetings, which will make the town eligible for FEMA grants to harden our infrastructure against natural hazards like ice and flooding.

We saw an uptick in participation of members of the public via zoom and in person at our regularly warned Selectboard meetings. Resident input is an important and essential part of this process and we were happy to have our community active and participating.

2025 HOWARD LEGACY FUND ANNUAL REPORT

Aurelius Chapin Howard, born 1812, lived much of his life in Townshend. He made a fortune in Michigan land, and in his Last Will and Testament, he bequeathed to the Town the sum of \$10,000.00 (an enormous sum in that period). The interest from this fund was directed to be used to assist the poor of the Town. Mr. Howard died on January 9, 1881, and at a Town Meeting, held on December 5, 1881, the Town voted to accept the legacy and elected three Trustees to administer it. The fund continues to this day with Eileen Fahey, Barbara Bedortha, and Margaret Bills serving as the current Trustees.

Financial Statement

Fund Balance:

Principal Balance of the CD (not to be disbursed) \$10,000.00

Balance of Money Market Fund \$9,104.95

Interest Balance of CD & Money Market Fund \$11.22

Sub-Total: \$19,116.17

Money Market Disbursements:

(for period 7/1/23 - 6/30/24

No Disbursements: \$0.00

Total Fund Balance: \$19,116.17

Townshend Social Services – Fiscal Year 2026

(Disaster relief, blood) American Red Cross of Vermont and NH Upper Valley Region

2025 appropriation: \$500. 2026 request: \$500. 2026 recommendation: \$500.

(End of life) Brattleboro Area Hospice, Inc.

Non-medical, volunteer-staffed programs for the dying and grieving.

2025 appropriation: \$300. 2026 request: \$300. 2026 recommendation: \$300.

(Job creation) Brattleboro Development Credit Corporation (SoVEDS) Regional economic development, including job

creation and higher wages.

2025 appropriation: \$3,693. 2026 request: \$3,873. 2026 recommendation: \$3,873.

(Food, schools) Food Connects Farm-to-school locally harvested food.

New request 2026 request: \$500. 2026 recommendation: \$500.

(Senior support) The Gathering Place Safe, supportive environment with a full array of services and activities for

elderly and adults with disabilities

2025 appropriation: \$500. 2026 request: \$500. 2026 recommendation: \$500.

(Health care) Grace Cottage Family Health & Hospital

2025 appropriation: \$1000. 2026 request: \$1000. 2026 recommendation: \$1,000.

(Senior volunteer opportunities) Green Mountain Retired Senior Volunteer Program (RSVP) Supports and develops

programs for seniors who wish to volunteer within the community.

2025 appropriation: \$275. 2026 request: \$275. 2026 recommendation: \$275.

(Environment) Green Up Vermont Sponsors yearly area clean-up of litter, etc.

2025 appropriation: \$100. 2026 request: \$100. 2026 recommendation: \$100.

(Shelter & food) Groundworks Collaborative Brattleboro Area Drop-In Center and Morningside Shelter, now merged,

provide emergency food, housing and case management services.

2025 appropriation: \$1200. 2026 request: \$1,200. 2026 recommendation: \$1,200.

(Mental health) Health Care and Rehabilitation Services (HCRS) A broad range of community mental health services.

2025 appropriation: \$1,100. 2026 request: \$1,100. 2026 recommendation: \$1,100.

(Substance abuse) Interaction Formerly known as Youth Services, provides clinical programs and restorative justice to

youth in Windham County.

2025 appropriation: \$1,540. 2026 request: \$1,540. 2026 recommendation: \$1,540.

(Transportation) MOOver (Connecticut River Transit, Inc.) Transportation for the elderly, disabled, and children and

families who receive Medicaid.

2025 appropriation: \$750. 2026 request: \$750. 2026 recommendation: \$750.

(Food, home delivery) Neighborhood Connections (replaces Everyone Eats) provides meals to at least 23 Townshend

residents.

New request 2026 request: \$1,500. 2026 recommendation: \$1,500.

(Senior support) Senior Solutions Southeastern VT Assists residents with nutrition programs, transportation, case

management and caregiver respite.

2025 appropriation: \$800. 2026 request: \$950. 2026 recommendation: \$950.

(Community support) Southeastern Vermont Community Action, Inc. (SEVCA) Weatherization, emergency heating repair, tax preparation services, thrift store vouchers and fuel assistance.

2025 appropriation: \$1,500. 2026 request: \$1500. 2026 recommendation: \$1,500.

(Food) Townshend Community Food Shelf For individuals and families facing food insecurity. (Last year's contribution was via *Project Feed the Thousands*).

2025 appropriation: \$700. 2026 request: \$700. 2026 recommendation: \$700.

(Family support) Vermont Family Network Provides expert information, support consultants and referral services for children, youth and families, particularly with special health needs or disabilities.

2025 appropriation: \$250. 2026 request: \$250. 2026 recommendation: \$250.

(Local news) Vermont Independent Media/The Commons Windham County's Independent non-profit newspaper.

2025 appropriation: \$1,000. 2026 request: \$1,000. 2026 recommendation: \$1,000.

(Health care) Visiting Nurse Association & Hospice of VT and NH, Dartmouth Health Home nursing, hospice and rehabilitation services.

2025 appropriation: \$2,700. 2026 request: \$2,700. 2026 recommendation: \$2,700.

(Animal welfare) Windham County Humane Society Veterinary care including exams, vaccines, nail care, microchips and spay/neutering surgeries.

2025 appropriation: \$500. 2026 request: \$500. 2026 recommendation: \$500.

(Early childhood) Winston Prouty Center for Child & Family Development Services for preschool children with special needs

2025 appropriation: \$250. 2026 request: \$250. 2026 recommendation: \$250.

(Women & children) Women's Freedom Center Mission is to end physical, sexual and emotional violence against the women and children of Windham County.

2025 appropriation: \$1,200. 2026 request: 1,200. 2026 recommendation: \$1,200

Funded 2024: \$20,866 Funded 2025: \$21,243 2026 Recommendation: \$22,338

HIGHWAY ANNUAL REPORT

This year has been a productive and challenging year in the Highway department. In the spring we experienced major equipment failure that led to the difficult process of acquiring a new backhoe and grader through a leasing program. While that set our work back in the spring, we were able to accomplish a lot during the summer and fall. We finalized our FEMA application and received over \$200,000 in road repair reimbursement * We executed 2 VTrans grants, worth just over \$51,000, for road ditching on Brookline Rd and State Forest Rd * We completed the West Townshend Stone Arch Bridge preservation project * We continue our re-paving by paving a portion of Rte 35. Despite ever escalating costs, we continue to maintain and upgrade roads while maximizing revenue for grants.

For fiscal year 2025 we have two VTrans grants: \$50,000 reimbursable grant to continue paving Rte 35. We have also obtained a \$200,000 reimbursable VTrans grant to repair Bridge 43 on West Hill Road. The bridge work will be completed by September 2027.

Maintaining and replacing equipment is an on-going project in the Highway department. Below is the equipment replacement schedule. The next truck that needs to be replaced is the 1-ton dump truck. In other areas we are facing escalating costs in roadside mower rentals. Other towns have moved to buy their ow roadside mower to increase the use in the season. We hope that our highway Reserve Fund article, and funding the reserve article, will pass so that we can begin to plan for the equipment needed to maintain the roads.

In fiscal year 2025 we acquired two pieces of major equipment:

- 1. 2024 John Deere Backhoe (\$158,500) leased to over for five years.
- 2. 2024 John Deere Grader (\$399,600) leased to own over five years.

EQUIPMENT	Lifespan	Replacement Year	Estimated Replacement Cost
1993 Bandit Wood Chipper. Model 150	20 yrs	FY27	\$75,000
Trk#1-2 012 Freightliner SD114 6 wheel dump	10yrs		
Trk#3 - 2015 International 7600. 6 wheel dump	10 yrs	FY27	\$350,000
2018 John Deere 624KII Loader	15 yrs	FY33	\$275,000
2018 Kubota B2601 Tractor	20 yrs	FY38	\$40,000
Trk #2 - 2018 RAM 5500 One Ton Truck	7 yrs	FY27	\$130,000
Trk #4 - 2020 Western Star 10 wheel dump	10 yrs	FY30	\$350,000
Trk #5 - 2022 Western Star 6 wheel dump	10 yrs	FY32	\$225,000
2024 Kaufman Trailer (\$20,000)	20yrs		

GRANT COORDINATOR ANNUAL REPORT

The Grants Coordinator Position was created in early 2024 as a way for the town to aggressively research, apply for, attain and manage grants for various town and highway projects. There are thousands of grant opportunities out there, many existing within our own state. Many doors were opened in this process, which has allowed us an opportunity to dive deeper into town projects and making plans to move forward while also protecting and expanding our budget.

Highway Foreman, Jeremy Zumbruski, and I attended VTrans training courses for highway grants specifically covering ditching, culverts and road erosion standards. These "Best Management Practices" are required by the state and their implementation is incentivized and supported by VTrans grants. We successfully executed a \$50,000 VTrans paving grant for paving a portion of Rt 35, a \$21,000 ditching grant for culvert work on State Forest Rd and another \$31,000 ditching grant for work on Back Windham Rd. For the upcoming fiscal year, we have been approved for another \$50,000 paving grant to continue paving Rt35, a \$200,000 infrastructure grant to replace Bridge 43 on West Hill Rd, a ditching grant for \$17,750 and a road inventory grant for \$9,712. We are actively taking advantage of every road-focused funding opportunity available and are already feeling the benefits within the highway budget.

I have attended many hours of training and seminars for town specific funding opportunities as well. A \$20,000 Economic Recovery grant was obtained from the State of VT, part of which funds the Grants Coordinator position for 6 months. Additionally, we were awarded a \$12,946 VT State Preservation Grant for the repair of our Town Halls slate roof. I worked closely with the Planning Commission who provided essential information about our historic Town Hall and its structural integrity for the application. This project will begin in early Spring.

More town projects and ideas have come to light throughout the year, and I am working hard to capture as much of this funding as possible.

Thank you for this opportunity!

Katie Marrow

FIRE DEPARTMENT ANNUAL REPORT

The department has responded to the usual number of calls this past year. The bulk of the responses continue to be in just a few categories. Those are: motor vehicle, DHART landings, and brush/trees related incidents. These types of calls amount to over 40% of the total responses for the department. Other types of calls that the department responds to are chimney fires, alarms of various types, mutual aid to other towns, request for assistance, flooded basements, and various storm related incidents. As you can see, most of the calls have little to do with actual fires. This means our members must have a variety of trainings and equipment. The department has purchased new equipment to help with motor vehicle and brush/forest related events. In our trainings, we have spent some time with the new equipment.

The Fire Department continues monthly cooperative training with the West River Training Group (WRTG). With these training sessions, we get to practice with our neighboring fire departments. This also gives us the opportunity to be up to date with current operating procedures. We also continue to participate in the state fire pond program. Our most recent addition to this program is a new pond on Jordan Hill Road. Thanks go out to the Carluccio family for helping make this pond possible.

Like most volunteer groups, we could use some new members. Anyone interested in joining, please contact Chief Glen Beattie. Time involvement is responding to calls, attending a work and business meetings once a month. There is also the WRTG monthly meeting and in-house trainings once a month.

Townshend Planning Commission Annual Report

The Planning Commission has been working on updating the Town Plan. This important document is prepared every eight (8) years to present an overview of the Town and lays out the Town's goals and objectives for the future. The Plan includes sections on economic development, housing, land use, transportation, energy, infrastructure, and environmental health. Towns are not required to have a Town Plan, but it is needed to receive most grants and in fact, is a requirement to apply for many. The Commission has been working with the Windham Regional Commission (WRC) on this update, as the WRC is familiar with the numerous State of Vermont requirements.

At the March 5, 2024, Town Meeting residents approved the Planning Commission Article for \$50,000 to be put in a reserve account for, "prompt compliance with the Americans with Disabilities Act for building accessibility, and an ADA compliant bathroom". Right after this money became available, on July 1, 2024, the Commission requested the architect the Town had been working with on the Town Hall & Opera House renovations, to provide specifications and drawings for an RFP, to have the work completed ASAP. The work will commence after the acceptance of bids from potential contractors, with the work scheduled to be done this Spring.

The Planning Commission provided the Select Board (SB) detailed information on emergency backup generator specifications and contractors, for the Town Garage. A standby generator for the garage would help to ensure this critical Town operation is available when needed. The Planning Commission and Select Board coordinated on a grant for the generator (and Town Hall), but which we unfortunately did not receive.

The Planning Commission helped the SB with a grant application for repairing the Town Hall slate roof and has worked with the SB to monitor and respond to several Act 250 applications affecting Townshend.

The Planning Commission meets on the second and fourth Wednesday of each month at 7:00 p.m. The meetings are open to the public and participation is welcomed.

John Evans, Chair Liza Swenn Martin Bob DeSiervo, Vice Chair Doug Ballantine Andy Snelling, Clerk Rick Matschke

TOWN TREASURER & TAX COLLECTOR REPORT Fiscal Year 2024 (7/1/2023-6/30/2024)

Townshend had another successful audit with Sullivan & Powers. Minimal corrections and adjustments were identified. Per Sullivan & Powers, FY2024 ended with a surplus in the General Fund of \$175,681 and a deficit of \$79,504 in the Highway & Equipment Fund. With each new budget year, the Selectboard determines how best to appropriate any surplus/deficit funding. The FY2024 audit booklet from Sullivan & Powers is available in the Town Clerk's office for your perusal.

The Finance Office continues making bank deposits of quarterly tax collecting and miscellaneous revenue income, as well as managing the towns five M&T CD's: Fire Dept Municipal CD, Reappraisal CD, Grace Cottage Municipal CD, Cemetery Perpetual Care CD, and Cemetery Interest Retained CD.

The yearly administration processes with the Library Trustees and Cemetery Commission continues to go well. Town of Townshend is responsible for handling payroll, account payable, and CD maintenance. Treasurer works closely with Sherwood Lake, Glenn Beattie and Brian Schmidt in handling Fire Dept & Fire Pond Grants. I work with Road Foreman, Jeremy Zumbruski, to administer the State of Vermont Grants & Aid programs for the Highway Dept. Concerning FEMA, I've been working with Jeremy and Connie Holt with closing out the July 23, 2023 and December 18, 2023 disasters.

Since the Tax Collector position continues to be a **part-time position** within the town, Anita and I continue processing tax payments, answering questions and emails from the taxpayers, as well as from mortgage companies.

PLEASE REMEMBER TO INCLUDE YOUR TAX PAYMENT COUPON WHEN MAKING A PAYMENT. If your property taxes are escrowed with a mortgage company or bank, it is <u>your responsibility</u> to make sure they receive a copy of the current tax bill. Town of Townshend only sends a copy to companies that make the request. When paying taxes, Townshend accepts cash (exact amount), check or money order.

DELINQUENT TAXES are handled by Becky Reilly, 264 Kearley Drive, Townshend VT 05353 (802) 282-3827 nystrombecky@yahoo.com.

NOTE: It is very important that every Vermont resident file their **Homestead Declaration** by **April 15**th. Not doing so results in the state assessing a penalty as well as the Town of Townshend imposing a penalty for late homestead declaration filings.

Treasurer: Elaine Hill, P O Box 223, Townshend VT 05353 (802)365-7300, ext. 103 treasurer@townshendvt.gov

DELINQUENT TAX COLLECTOR 2023-2024 REPORT

After receiving the warrant in June of 2024 for \$194,152.53, the total delinquent taxes owed to the Town of Townshend was \$223,832.84. Prior to receiving the warrant, the total due was \$36,282, a record low. A tax sale was not needed in 2024. I am currently in the process of starting a tax sale for 2025.

The tax sale that I am working on right now consists of eleven properties and over \$40,000 in delinquent taxes. The tax sale date has not been scheduled yet but will likely be in late spring 2025. The struggle remains with deceased property owners with delinquent taxes where there is no estate or death certificate on file which are needed to enter the properties into probate court. I currently have three properties that account for nearly \$22,500 in delinquent taxes which the select board has advised me to hold off on pursuing to avoid up front legal fees. The remaining dollars on my list are under monthly payment arrangements with me to pay their balances off within 12 months. I recently attended a webinar on Delinquent Tax Collection for the state of Vermont and various law changes, none affecting how Delinquent tax collection in Townshend is performed.

I do my best to work with everyone as much as I can while sticking to my policy that I implemented when I began collecting delinquent taxes. I would be happy to serve the Town in this position for another year.

*Note - All of the figures mentioned above are principal only and do not include interest and penalty.

Cemetery Commission Annual Report

Besides the usual mowing, maintenance, and flags, the Commission was asked to consider a space for green burials. Since we have been looking to expand the cemetery for some time, the Commission approved an area for green burials. This area will be in the lot adjacent to the existing Oakwood Cemetery to the north of the fence. The expanded area will have two sections. One section on the west end of the lot will be for green burials. The second section on the east side will have traditional caskets and vaulted graves. To start the project, the site is scheduled to be surveyed and the brush has been removed on the south, west, and north sides of the lot.

We thank Brad Cutts and his family for the continued maintenance of Oakwood and Maple Grove Cemeteries. Without the volunteer help of Phil Boyle and Kate Spencer, it is possible Round Hill and Fisher Cemetery would not have been mowed. We thank them for their help. We thank Delano Schmidt for his work in Acton and Wiswell Cemeteries as well as Connie Holt and Helen Holt for their work in Wiswell.

The Commission needs help in maintaining the 13 cemeteries under control of the Commission. We are happy to have volunteers, but we also have funds for payment. We also pay for the use of equipment. Another proposal is to have an adoption system where someone would adopt a particular cemetery to take care of during the season. See any member of the commission if you are interested.-

The subject of flags has been brought to the Commission. Flags are purchased by the town for veterans and placed on graves prior to Memorial Day. The holders for the flags are the responsibility of the family. Some veterans' organizations provide a free holder. We have some holders available for purchase. See the Commission Agent if you would like one. Now that we participate in the program, "Wreaths Across America", the flags are not removed until the wreaths are placed in December. We thank Scott Dorman for his promoting the wreath program. If you want to sponsor a wreath, please contact Scott.

Townshend Historical Society Annual Report

The Townshend Historical Society wants to extend a gigantic thanks to the people of Townshend for their financial support and their encouragement to complete the restoration of the West Townshend Stone Arch Bridge. The bridge is now ready to take on the next 100 years because of your support, some very generous donors, a federal matching grant, and the professionalism and talent of Standing Stone's masons.

The Board also wants to express publicly their gratitude for the determination and hard work of Lee Petty. Lee has put in innumerable hours, over the past five years, corresponding with various agencies to make her way through the red tape of grant applications, proposals, deadlines, and follow ups. Even after she left the Board and moved to Newfane, she continued her dedication to the project until the job was completely done.

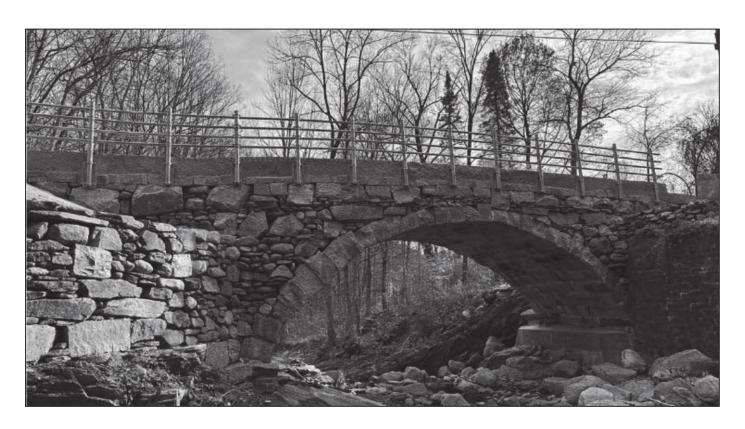

We would like to invite all of Townshend's residents to become members of the Townshend Historical Society. You can speak to any member of the Board to get information about joining or go to our website: Townshendvt.org. The site is full of wonderful history and pictures of Townshend. You can join the society, make a donation, or buy items online.

The Townshend Historical Society Board of Trustees:

Charlie Marchant – President Robert DuGrenier – Vice-President

Helen Holt – Treasurer Katie Marrow – Secretary
Heidi Clawson - Board Member Eileen Fahey – Board Member

Lonny Winrich – Board Member

Librarian's report - Town Report 2025

Well, we started 2024 energized from our strategic planning work and jumped right in reacting to the comments that we'd heard. So eager in fact to try to address community comments and wishes that the written plan is still being drafted. I created the word cloud below from the responses. The words are randomly placed. The more often a word was used the larger the font size representing it. Driven by the data, we offered 86 programs during the year attended by over 700 people. That doesn't include the weekly playgroups facilitated by VT Early Ed. Services or the Townshend Pumpkin Festival where we gave away 108 doughnuts on a string and more than 100 solar eclipse glasses. Our meeting room use also increased with families and adults using it as neutral place to meet with professionals, or to work and study. The library trustees' support was instrumental in enabling me to offer such a wide range of programs throughout the year. They pitched in, sharing more than just their time and comments, especially for the first ever Townshend Holiday Festival and the Library's Festival of Trees. The hard work of other staff members and volunteers was also crucial to such a successful year.

Even as the role of libraries changes, we still strive to provide a stellar standard fare of books, magazines, movies, and other things for you to borrow. We offer approximately 14,500 items in fact. Among them parks and museum passes, and our "Library of Things" game camera, sewing machine, celestial binoculars, games, snowshoes, and more. This doesn't include the digital resources and downloadable ebooks and audiobooks that you can borrow. We're currently focusing on expanding what works and tweaking what hasn't; coming up with some new ideas to support the community and its members the best way that we can.

Respectfully submitted, Karen LaRue

LIBRARY BOARD OF TRUSTEES ANNUAL REPORT

Keeping the Townshend Public Library running is the work of many hands. There is the Librarian, Karen LaRue, who plans programs, selects books and materials, and oversees daily operations as well as being a force in the community events. There are assistants, Christine Chandler, Beth Etman, and Pam Russo, who crew the front desk and do all those extra jobs that make programs possible. There are the volunteers, Jean Danilow and Kate Harris, who keep the place in order and the gardens in shape. There are the Trustees, Kathy DuGrenier, Judy Slowik, Elizabeth Brown, Marilee Attley, and Jean McIntire, who set policies, watch over funding, and generally help out as needed. And there are the community members who share their expertise to create programs like Dungeons & Dragons or viewing the night sky. It is a group effort and we are grateful for every single one of them.

Over the past few years, the library has been working to find out howe to best serve our town. Through a series of individual and group interviews we tried to determine what kind of community people would like to live in and how the library could help make it happen. Many good things have already resulted from those interviews, such as the establishment of the Townshend News, and the development of many new programs like Trivia Nights and the Festival of Trees.

Also, in response to those interviews, we are looking into ways to expand the physical space in the library. We have done some groundwork, including getting architectural advice and looking at grant funds to expand our reading room. We are also working on ways to heat and cool the library more efficiently. We will keep you posted. If you are a regular patron of the library, you may already know about many of these developments. If you aren't, I urge you to stop by and see what a vital, vibrant place the library is. I hope we see you soon.

The library is open Mondays 1-5pm, Tuesdays 9-1pm, Wednesdays 1-7pm, Fridays 9am-1pm, and Saturdays 9-1pm. The telephone number is 802-365-4039.

Marilee Attley

TOWNSHEND LISTERS REPORT

Except for being busier than ever not too much has changed in the Townshend Listers office-

We continue to take classes to keep up with the changes mandated by the state and learn the best ways to fulfill our duties-

We want to thank all the Townshend property owners who continue to be so gracious and helpful throughout the year and we're always grateful to the owners of the Bald Mountain and Camperama campsites for their ongoing assistance. Please remember to file your Homestead Declaration (HS-122) every year and give us a holler if you have any questions. Our scheduled hours are Tuesday and Friday mornings and that's the best time to reach us by phone, but we always keep an eye on our email so that's often the quickest way to hear back from us.

TOWN CLERK'S REPORT

Once again, I thank you all for giving me the opportunity to serve as your Town Clerk. I love that I never know who will walk through my door and where the day will take me. It is wonderful to learn new things about Townshend and share what I remember about growing up here. Kurt Tietz & Anita Bean continue to deserve my never-ending gratitude for their support, perspective and humor, especially Kurt's fun signs out front!

Primary and General Election ballots were tallied by our new Tabulator, and while it is great to have residents hand count, it was amazing to close the polls and have the results instantaneously! This also enabled Townshend to host an election night potluck and square dance, that was featured on VPR and picked up by NPR, while I didn't get a chance to attend, it was wonderful to have the community gathered together.

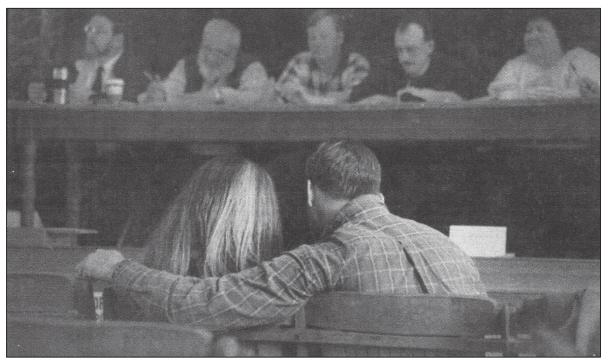

Townshend News, our bimonthly newsletter has been a wonderful way to highlight our town, we welcome submissions and ideas! A generous resident has started compiling information for our Welcome Packet, if you have a business or a skill you would like to advertise or an idea you would like included, please reach out.

I was honored to be asked by the Secretary of State to join the Town Clerk Advisory Committee for the coming year. The committee covers relevant issues, including elections, records schedules, land records, notaries public, our Vermont Election Management System and any issues that come up in the legislature. I am happy to bring any topics that y'all might have to the committee.

I wish you all a coming year filled with many moments (both big & small) of peace and joy! Take good care and good care of one another!

In gratitude,

Ellenka Wilson

My parents, Miki Wasung, longtime Town Treasurer & Howard Lott, longtime Auditor & Lister at Town Meeting 2004

TOWN CLERK NOTES

Fiscal Year July 1, 2023 - June 30, 2024
